Company Statement

Founded in 2009, Inspire has quickly established itself as a quality provider of specialist residential care, education and support for young people with complex needs. We operate throughout the North-West of England, working in partnership with local authorities and other professionals; we provide flexible care and education packages to facilitate the support of young people and their families in a dignified and respectful manner, which is the cornerstone of our service delivery. Our single and dual placement homes are OFSTED approved and provide a warm, comfortable and stable family orientated environment essential for young people aged 5-17 years. Our Independent School is registered with the Department for Education, and offers tailored learning packages for children with complex educational needs. Our homes and school are staffed with experienced social care professionals and teachers, all equipped with the skills necessary to ensure that young people can flourish in our care.

Our Principles:

- The welfare of any young person is paramount;
- We contribute to young people's care, learning, development and safeguarding and this is reflected in every aspect of our practice and service provision;
- Staff will work with parents and families who are partners in the care, learning, development and safeguarding of their children, recognising they are often a young person's first and most enduring carers and educators.

Our Values:

- We prioritise the welfare of the young person as paramount;
- Individuality, diversity and difference are valued and celebrated and permeate our entire service provision;
- Diversity, Equality of opportunity and anti-discriminatory practice are actively promoted within all aspects of the organisation's practice;
- We actively promote the health and well-being of each young person;
- At Inspire young people have their personal and physical safety safeguarded, whilst allowing for risk and challenge as appropriate to the capabilities of the individual;
- Self-esteem and resilience are recognised as essential to every young person's development;
- Confidentiality and agreements about confidential information are respected as appropriate unless a young person's protection and well-being are at stake;
- Professional knowledge, skills and values are shared appropriately at Inspire in order to enrich the experience of the individual more widely;
- Best practice requires a continuous search for improvement and self-awareness of how our staff are perceived by others;
- We operate a "Culture of Awareness" which recognises that young people are potentially subject to exploitation by adults who wish to use social care as an access point to vulnerable young people.
- We value our staff and ensure we invest in their training and developmental needs to ensure that they deliver the best possible service to young people in our care.

Safeguarding Statement

“The harsh reality is that if a sufficiently devious person is determined to seek out opportunities to work their evil, no one can guarantee that they will be stopped. Our task is to make it as difficult as possible for them to succeed...” (‘Recruiting Safely – Safer Recruitment Guidance helping to Keep Children & Young People Safe’ CWDC 2009).

In conjunction with this statement, Inspire Childrens Services is continuously and proactively vigilant in deterring any individual with insidious intentions, seeking work with vulnerable children and young people in our care. We have embedded a ‘culture of awareness’ within our policies, procedures, systems and practices which promotes high level vigilance towards those who seek to abuse and exploit children and young people. This process begins from the outset through our recruitment process and stresses the Organisations explicit approach to safeguarding children through our ‘safer recruitment’ process.

Whilst ‘safeguarding’ is a key element within the Safe Recruitment process, the issue is prevalent throughout every aspect of our services and is embedded within the following Procedures and Policies.

Whistleblowing Policy. From the outset, we ensure that all staff are fully committed to raising concerns about fellow colleagues if they have any concerns about their behaviour - including suspicious behaviour towards a child / young person that could be deemed abusive.

Safeguarding Policy. The Senior Management team have extensive experience as Practitioners in Child Protection and Safeguarding Children. The Safeguarding Policy covers a wide range of factors about child abuse, the behaviour patterns of abusers, and robust procedures for reporting suspected child abuse to the relevant authorities including the Police.

Equality & Diversity Policy. Equality Diversity Policies underline the principle for individuals to be treated with dignity and respect at all times. To this end the right to protection from all forms of intended harm is paramount.

Internet & Email Policy. Inspire has robust and rigorous policies to ensure that internet and email technology is not illicitly usurped for the purposes of abusive behaviour in any form. This includes using technology for downloading illicit, sexualised, violent and abusive information or images.

Programme of induction and training for staff. Staff Induction programme underpins the Organisations responsibilities to Safeguard Children and introduces the relevant Policies and Procedures.

Code of professional conduct for staff. Staff are provided with details of the Health Care Professions Council (HCPC) which underpins the Governing Bodies principles and values for Social Care Professionals including the embodiment of Safe-guarding issues in practice.

Supervision of newly appointed staff. All new staff will receive monthly supervision where ‘Safeguarding’ is a standing item on the agenda.

A Designated Person for Safeguarding (DCSO). Inspire has appointed a ‘Designated Officer’ who has specific responsibilities for Safeguarding issues including Policy review, Training and Internal Investigations review and monitoring.

Appropriate arrangements for dealing with allegations of misconduct. Inspire’s Disciplinary Policy is unambiguous concerning action to be taken concerning abusive behaviour towards children. Suspicion of abuse will be immediately reported to the Police and Local Authority, OFSTED and Independent Safeguarding Authority (ISA). In the event of any abusive behaviour being upheld staff will be subject to instant dismissal, criminal conviction and potential registration with the ISA or newly formed Disclosure and Barring Service (DBS).

A Route into LSCB approved Safeguarding Training. Safeguarding Training will be subject to recommendations from the Local Safeguarding Children’s Board.

In conclusion, Inspire Childrens Services is absolutely determined to deter and expose those individuals who seek to gain employment as ‘carers’ as a vehicle to abuse vulnerable young people.

Above all, the protection and safeguarding of children is our paramount concern, and any form of ill treatment towards children will be dealt with severely.
